### How does a FUNdraiser Playdate compare?

School or organization "nights" at local restaurants are popular fundraisers. A meal out for a family of four can easily be \$25 with tax. Usually the organization receives 10% of the food sales, in this case, about \$2.30.

At The Playroom TriCities, that family of four can play and socialize for only \$12. We will donate 20% of admissions during your Playdate, in this case, \$2.40. Families can even bring their dinner with them or you can sell pizza slices to raise more money.

**How does that compare?**  
At the FUNdraiser, the family saved \$13 and your group still raised a little bit more money.  
*The best part, everyone had fun and a time to socialize.*

### FUNdraiser at The Playroom

The Playroom TriCities is an indoor amusement center for kids of all ages. Over 6,500 square feet of room to play and party. Our brand-new building is specifically designed for maximum fun & filled with custom inflatables.

FUNdraisers are perfect for elementary school PTO's, community groups, children's foundations, sports clubs, and any organization that serves or has members that are parents or children. Our FUNdraisers are great for small and large groups.

We offer two unique FUNdraising programs for your non-profit organization.
